

# Fluid power World show-2010

Co-Located Shows

Boiler World Show - 2010

7th to 11th January, 2010 | University Ground, Ahmedabad, India

Fluid Power Technology is used in various industries like Hydraulics, Pneumatics, Valves, Automation & moving mechanisms, Compressors, Shock Absorbers, Suspension Devices, Self Operating Arms etc., and such industries catalyze growth of the manufacturing & industrial sector. Yet sometimes these industries are ignored a bit and need Competent Platform to reach obvious success level.

## Organizer - KMG Business Technology

At KMG Business Technology, we look forward to empowering industries and businesses through providing a common platform to promote & share their mutual concerns in controlled environment that enables participants accomplish individual corporate goals initiated through targeted exhibitions.

Being undisputed leader in the Trade Fair & Event Organizing Sector in India, we look ahead to becoming a true global leader & a zero risk brand that maximizes value, every time we have been patronized.

## Why participate ?

Exhibitors to be the first layer of Equipment, Technology & Services Providers ■ Visitors to be the end users, government officials, power plant operators & leading Industrialists  
■ Evidence of consecutive series of successful shows managed by KMG, like ENGIMACH & IMTOS in which visitors visited the show from all over the globe from different industries & countries like Japan, USA, Germany, China, Singapore, Thailand, Taiwan & many more. ■ High scope of buyers' footfall that is prime focus for prospective participants to get optimum return on promotional investment

Ideal mix of promotion that leaves no stone unturned in order to publicize the event to potential buyers & purchase decision makers ■ 3 co-located shows taking place under one roof with the prime exhibition ENGIMACH- the exhibition known for attracting right mix of buyers & end users as visitors  
■ Dedicated event to ensure participants get exclusive focus along with nullified risk of under exposure that is paid off by co-located shows

7th to 11th January, 2010 | University Ground, Ahmedabad, India
