

## Zdravookhraneniye'2010 (Healthcare 2010)

Ladies and Gentlemen!

We invite you to participate in

## **Zdravookhraneniye'2010 (Healthcare 2010)** the 19th International Exhibition for Health Care, Medical Engineering and Pharmaceuticals

**Early December 2010 (to be announced later)**  
*Expocentre Fairgrounds, Moscow*

### **What is the Healthcare 2010?**

The Healthcare exhibition in Moscow is without a doubt the main medical exhibition in Russia. It is therefore the exhibition to be present for any company having serious plans for the Russian market.

Arranged thematically, the previous 2008 edition display of over **45 000** sq.m featured medical instrumentation and diagnostic equipment, advanced medical technologies, medical consumables, laboratory medicine, medical furniture, emergency medicine, first aid, engineering, construction and equipping of health care facilities, disinfection, sterilization and sanitation equipment, rehabilitation, advanced information technologies in medicine, healthy life-style, and dentistry.

**Over 1 000 companies** from **40 countries** demonstrated their products. **China, Finland, France, Germany, Republic of Korea, and Spain** arranged national expositions. At ZDRAVOOKHRANENIYE'2008 **Czech Republic** and **Turkey** organized their national expositions for the first time ever.

Almost 30000 professionals visited the 2008 edition for this exhibition.

### **Participation Cost**

<i>Raw space, per sq.m:</i>	215-250 euro + VAT%
<i>Equipped space, per sq.m:</i>	260-300 euro + VAT%
