

## **Welcome to BALLTECHNIKA 2010.**

May 11 – 13, 2010  
Vilnius, Lithuania

The logo for BALTTECHNIKA 2010, featuring the word "BALTTECHNIKA" in a bold, teal, blocky font with a slight shadow effect.

***The largest engineering business and technology exhibition in the Baltics.***

---

You are kindly invited to take part in the 18<sup>th</sup> International Exhibition of Industry BALTTECHNIKA 2010. Every year the exhibition gathers over 200 companies from various countries from all over the world from metalworking, mechanical, electrical and electronic industry sectors, but as well as related R&D and training institutions, introducing their latest technologies, products and services.

Companies from Lithuania, Estonia, Latvia, Germany, Poland and many other countries will introduce the latest technologies intended for industrial process management, electricity generation and the most urgent environmental projects on 11 – 13 May, in the Lithuanian Exhibition Centre LIT EXPO.

During the exhibition there will be seminars and conferences held that highlight the most urgent issues for the industry – from latest production technologies to development of human resources.

---

### **Topics**

The main topics of BALTTECHNIKA will be as follows:

- Energy
  - Industrial automation solutions and equipment
  - Electrotecnics and electronics
  - Industrial equipment and materials
  - Technologies, machinery and tools for metal processing
  - Welding systems
  - Measuring and control equipment
  - Subcontracting services and products
  - Technologies and equipment for environmental protection
-

## Balttechnika 2008: Facts

In 2008, the exhibition has been visited by 11.000 local and foreign visitors, in which 170 companies from 9 countries took part in, including 42 foreign exhibitors. The stand exhibition area was 3195.5 sq.m.

BALTECHNIKA's contributions to internationalisation of the Lithuanian engineering industries were recognised by the award of the Gold Medal of the Lithuanian Product of the Year, granted by the Lithuanian Confederation of Industrialists in 2008.
