

**RESTA**  
**April 14 – 17, 2010**  
**Vilnius, Lithuania**

***International specialized exhibition on construction and renovation.***

## **Exhibition**

RESTA is the leading exhibition of building and renovation sector in the Baltic countries. In 2006 the event was approved by the Global Association of Exhibition Industry UFI. It is growing rapidly and numerous projects in the field of road construction, house building and the construction of office premises are planned. Therefore it is an excellent opportunity to explore the latest technologies and developments and showcase your own products and services. The trade fair is going to be held at the Lithuanian Exhibition Centre LIT EXPO in Vilnius.
