Ladies and Gentleman!

We invite you to participate in

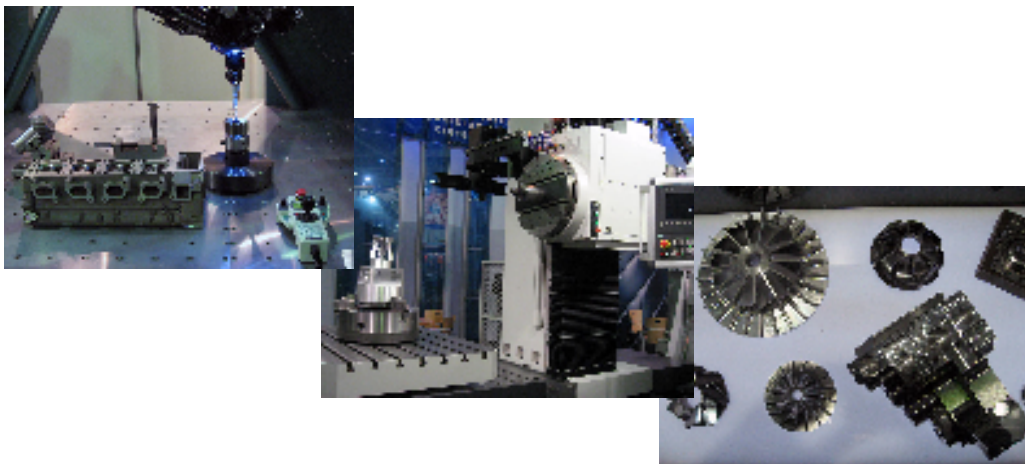

## Metalloobrabotka' 2010

Russia's largest Metalworking exhibition

Metalloobrabotka is not only Russia's largest Metalworking exhibition. It ranks amongst the world's leading machine-building exhibitions.

The Exhibition thematic sections feature all the fields of the industry directed to solving the most important tasks facing the Russian machine-building sector. At the same time the Exhibition structure provides an optimal opportunity to combine interests of both the Russian production and consumers' market, and those of their foreign partners.
